Greening Mount Isa

Department of Infrastructure and Planning

Project Cost \$19,687.00

Healy State School has been approved \$19,687.00 under the 2009 Greening Mount Isa campaign to provide the school's play areas with a cost effective watering system that will keep the grass green, the dust to a minimum, as well as improve the overall health outcomes of students.

The project is to commence in Term 4, 2009 and is to be completed by 30<sup>th</sup> June, 2010.
